(Special by Southern Bell Telephone.)  
NORFOLK, VA., August 8.—Richmond  
put a print on the pennant chasing of  
the pennant to-day by taking the  
last game of the series by the score of  
6 to 1. Besides the mere loss of the  
game, the locals were made to look like  
a bunch of amateurs at the hands of  
the Lawmakers. The Tercentennials  
were about fifty per cent. off in form,  
while the visitors played the game as  
good as they or any other club in the  
league could have played it. Unless Norfolk  
can now take four of the games  
commencing to-morrow, the chances of  
the pennant flying from LaFayette  
field next year are small.

Long, who pitched for Richmond, was  
the star performer of the game. He held  
the locals well in hand at all times. Not  
once did he show a single weakness.  
Three of the five hits charged against  
him were mere scratches, and not a free  
pass did he give. Stanley, Norfolk's star  
pitcher, had decidedly a day off. He was  
batted freely, but with few exceptions  
the men behind him played no better  
than he pitched.

Norfolk is still without a regular  
catcher, and a patched up team was  
played this afternoon, but that was no  
excuse for losing, for the patches in the  
team were by no means the weak places.  
In the absence of the catcher, First  
Baseman Wiley, who has had some ex-  
perience behind the bat, was sent in by  
Manager Clark to don the breastplate  
and helmet. Hopkins was brought in  
from right field to play first, and Pitcher  
Oley was sent to right. Both Hopkins  
and Oley played fast ball in their new  
positions. "Hubby" White, the University  
of Virginia man, who played first  
yesterday, was too stiff to play to-day.  
It may be that he will play in some of  
the games against Lynchburg.

Manager Shaffer, of the Richmond  
team, was the happiest man in Norfolk  
after the game this afternoon. The score:

Most Interesting Game Played in  
the League This Entire Season.

(Special by Southern Bell Telephone.)  
LYNCHBURG, VA., August 8.—Pande-  
monium prevailed here this afternoon in

the fifteen-inning game between Lynch-  
burg and Portsmouth, when neither team  
had been able to score, and Bentley hit  
the ball over Titman's head for a home  
run, winning the game to the score of  
1 to 0, with two men out. The game  
breaks all records in the Virginia League;  
not only is this true in the length of the  
contest, but it is doubted if there has  
been a game in which there were so  
many surprises and scientific chances.  
It was a game that kept the local fans  
guessing, until they saw Titman racing  
the sphere to the race track and Ben-  
tley cross the plate before the ball had  
been returned to the diamond. Moser  
and Revell did the box work, each of  
them making a record, Moser going fif-  
teen innings and allowing but three  
hits, while Revell kept his well scattered,  
after securing ten hits out of him, includ-  
ing the two doubles, when Bentley won  
the game. The score:

ROANOKE, VA., August 8.—Roanoke  
lost both of the double-header games at  
Danville to-day, the first by a score of  
6 to 4, and the second 2 to 1. The first  
game was miserably played. Cassidy  
had no control and lost his head. Danville  
connected with his curves freely. In the  
fourth inning Lanham was put out of  
the game for disputing a decision of the  
umpire. Three-base hits by Hetzer and  
Kaufman were features.  
In the second game Willis, the star  
twirler of Roanoke, pitched a good game  
until the sixth, when he retired. Davenport  
took his place, and was hit hard.

(By Associated Press.)  
NEW YORK, August 8.—Everything  
passed off quietly at the Polo Grounds  
to-day, and Chicago beat the New York  
team by 3 to 2. It was learned early in  
the afternoon that the local club would  
not prohibit the entrance of any umpire  
assigned by President Pulliam to the  
grounds. When Umpire Johnston and  
Emalle reached the gate they were ac-  
companied by Pulliam, who had come  
hastily from Saratoga, and as soon as  
he had seen the pair gain admittance  
without interference, he hurried away  
in an automobile without going inside  
the turnstile. Neither Manager McGraw  
nor Third Baseman Devlin was to be  
seen to-day, as each has incurred the  
penalty of suspension for a few days.  
There was no disturbance during the  
game, and Reulbach, who pitched a fine  
game for the visitors, was frequently  
applauded for his good work.

After something of a delay, with the  
bases full in New York's half of the ninth  
inning, Brown relieved Reulbach in the  
box for Chicago, which proved to be a  
winning move on the part of the visiting  
manager.

# For 50 Years

And over, Schlitz beer has been famous because of its purity. When it was brewed in a hut it was brewed by a master, aiming at new ideals. Now our output exceeds a million barrels annually. Our agencies dot the whole earth. Yet we still double the necessary cost of our brewing, to make certain that the product is pure.

Common beer, usually, costs you just as much as Schlitz.

Ask for the Brewery Bottling.  
Common beer is sometimes substituted for Schlitz.  
To avoid being imposed upon, see that the cork or crown is branded Schlitz.

PRESIDENT PULLIAM  
UPHOLDS UMPIRES  
Says If He Is Not Sustained He  
Will Quit Baseball  
Forever.

(By Associated Press.)  
NEW YORK, August 8.—So far as yes-  
terday's protested New York-Chicago  
game is concerned, President Pulliam,  
of the National League, considers the matter  
settled. He has upheld the decision of  
Umpire Johnston in declaring the game  
forfeited to Chicago, and says that in  
event of his decision not being upheld  
by the National League Board of Direc-  
tors, he will resign his position as presi-  
dent of the league and will quit profes-  
sional baseball forever.

Mr. Pulliam's statement was as fol-  
lows:  
New York-Chicago game sched-  
uled for August 7th stands on the league  
record as forfeited to Chicago by a score  
of 9 to 0, and said result has been tabu-  
lated and counted. I uphold the action  
of the umpire, absolutely, and if I am  
not sustained by the National League  
Board of Directors, I will not only resign  
my position as president of the National  
League, but I will quit professional base-  
ball forever. I am a National League  
man through and through and will never  
serve another organization. It has al-  
ways been my ambition to one day own  
a National League franchise, but if black-  
guardism, jobbery and bulldozing tactics  
are to be upheld by the oldest profes-  
sional baseball organization in America, I would  
not have the best franchise in the Na-  
tional League as a gift."
